Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The North Wilkesboro Housing Authority (NWA) formerly referred to as the North Wilkesboro Department of Housing and Community Development, through Housing Authority Board Resolution effective July 1, 2003 separated from the town of North Wilkesboro to become a separate entity responsible for providing safe, decent and affording housing for the populace of the referenced community.

The Housing Authority under the administration of the Executive Director, Keith Erwin, is committed to ensuring that the Agency continues to implement programs and services designed to foster self-sufficiency and economic independence for the residents while providing quality, affordable housing. Through the maximization of resources, manpower and monetary, the NWA will continue to strive in FY 2005-2009, to accomplish the goals prioritized in the Five Year Plan (2000-2004) which include:

- (1) Goal One: Manage the Housing Authority's existing public housing program in an efficient and effective manner thereby striving to become a high performer under HUD's Management Assessment criteria.
- (2) Goal Two: Provide a decent, safe, and sanitary environment in our communities.
- (3) Goal Three: Provide resident services which promote economic self-sufficiency initiatives.

The FY 2005-2009 activities will be directed towards continued improvement of all management systems, procedures and administrative structure of the Agency to include, continuing to increase the number and quality of affordable housing units available to low income families by improving maintenance and management operations. Efforts will be directed to continue to coordinate and prioritize the marketing and rehabilitation of the Turn-key III housing stock including, the implementation of a community-based housing plan. A comprehensive homeownership development venture has been initiated by focusing on the leveraging of public and private partnerships, thereby, continuing to increase the affordability quotient for residents of the NWA.

Management initiatives will include continuing to provide comprehensive, training seminars designed to provide Staff and the Board of Commissioners with the additional support needed for effective, Public Housing management service delivery. The NWA will also strive to continue to increase the utilization and availability of supportive services, as they are consolidated through a unified, service delivery Family Investment Center. This type of service proliferation has improved the self-sufficiency of NWA residents by providing a "one-stop-shop" facility.

In FY 2005, the NWA will continue to strengthen the existing resident non-profit. Through the creation of resident businesses and employment opportunities, the housing and service delivery options to residents will be improved. More specifically, the North Wilkesboro Housing Residents' Association Inc. will be provided with specific opportunities for entrepreneurship and employability skills with the ultimate goal targeting the initiation of a contract between the

NWHA and the Resident Council. A Resident Services Director was hired in FY 2003 to assist the FSS Coordinator in ensuring the needs of the residents are addressed.

The NWHA will continue to implement a comprehensive screening program thereby assisting in ensuring that the residents residing in the PHA properties are assured “living in public housing is a privilege, not a right”. Concentrated law enforcement efforts, including an accessible substation, have improved the community policing initiatives available to the NWHA. The NWHA through the North Wilkesboro Police Department will seek to establish a crime watch and community-action committee to assist in meeting the established goals and objectives.

The NWHA has achieved the objectives established in the FY 2000-2004 particularly, in the areas of service provisions offered to residents and improving the housing stock. It is the intent of the NWHA to continue with the implementation of the previously identified goals and objectives as all strategies identified in the Five-Year Plan (2005-2009) are a continuation of efforts and resources established in FY (2000-2004).

In conclusion, it is the intent of the NWHA to continue to maintain the Agency in a status of “high performer” public housing in NWHA is truly referred to as “housing of choice” versus of “housing of last resort”.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan:

The North Wilkesboro Housing Authority (NWA) has addressed the mission of the Agency and has met the goals established for FY 2000-2004. The Agency was awarded the high performer status in FY 2003. Specific goals accomplished includes a reestablished partnership with the Wilkes Community College, partnerships established for expanded resident services, the Resident Council achieved the not-for-profit status, and modernization activities have been completed which have provided a “face lift” to the NWA properties.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

The North Wilkesboro Housing Authority in the submission of the FY 2005-2009 Five Year and FY 2005 Annual Plan has not deviated or significantly amended the goals and objectives established through the original, FY 2000-2004 Five-Year Plan. The NWHHA will consider the following to be changes in the Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board and by the City for a public hearing before a corresponding change in the Agency Plan can be adopted. A significant deviation or alteration will include the following:

1. Any alteration of the Authority's *Mission Statement*;
2. Any change or amendment to a stated Strategic Goal;
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met;
4. Any introduction of a new Strategic Goal;
5. Any alteration in the Capital Fund Program Annual Plan that affects expenditure greater than \$50,000 of the CFP Annual Budget for that year.
6. Changes to rent or admissions policies or organization of the waiting list;
7. Additions of work items (items not included in the current Annual Statement or 5-Year Plan) or change in use of replacement reserve funds under the Capital Fund that affects expenditure greater than \$50,000 of the CFP Annual Budget for that year.
8. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

In setting the above criteria, the NWHHA intends by "Strategic Goal" specifically those items under those headings in its 5-Year Plan. As the Annual Plan already requires annual review by the Resident Advisory Board and by Public Hearing, the Authority believes this annual process sufficient to meet the spirit of the *Quality Housing and Work Responsibility Act of 1998*. It is expected that changes to the Annual Plan will be primarily administrative in nature. However, as shown in item #5 above, significant changes in planned modernization expenditures should be subject to a resident/public process and will be addressed accordingly.

b. Significant Amendment or Modification to the Annual Plan

The NWHHA has also reviewed the requirements established in HUD Notice PIH 99-51. This notice addresses several additional criteria established by HUD for "substantial deviation" or "significant amendment or modification" to the Agency Plan. The NWHHA will also consider those events sufficient to require a public process before amending such changes to its Agency Plan. The NWHHA acknowledges that an exception will be made by HUD to compliance with the above criteria for any of the above changes that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

The North Wilkesboro Housing Authority did not have any significant changes to the FY 2000-2004 Five Year Plan or the FY 2004 Annual Plan based on the criteria established as referenced for a significant alteration or deviation.
